MEN QUICK 20 poses

Under this tab you will find 120 quick poses, including:

- 20 quick sitting on chair poses
- 20 quick sitting on stool poses
- 20 quick on floor poses
- 20 quick corporate poses
- 20 quick fitness poses
- 20 quick boudoir poses

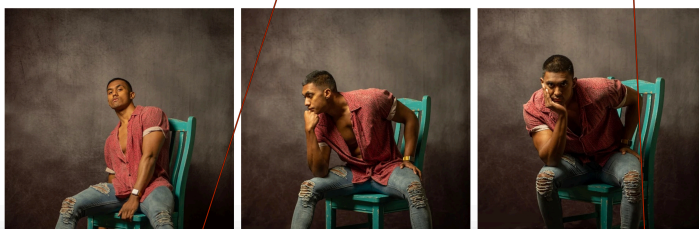

Follow this selection of 20 poses each for sitting, standing, reclining etc. This is a fantastic tool to help you save time during a shoot. If you view and follow each pose, you can get a great variety of poses at a single shoot. Remember to change outfits, in between to get a great range of photos.

Some poses may look similar, but there are slight variations in the position of the hands, arms, legs, expressions etc. These slight changes help to create dynamic photographs.
